We are always interested in the skills of our parishioners; please inform us below if you have any other particular skills that you’d be willing to share.

Thank you for your interest in volunteering within the parish. All roles will have a simple role description and the opportunity for preparation and formation before starting.

Please be aware that some roles involve interaction with the most vulnerable in our parish and so will require the clergy to discern, in conjunction with you, whether this role is the right role for you. If you are accepted for the role this would then lead to a process of preparation, including safeguarding.

PLEASE RETURN YOUR FORM IN AN ENVELOPE VIA THE SUNDAY COLLECTION BASKET OR TO THE PARISH OFFICE BY SEPTEMBER

Timelines – We will be processing the volunteering opportunities over the next few months, and so you should hear from us on your area of interest from Mid-November, when the new Parish Database will have been completed.

Many thanks for your support!
